23/5 6 Atlur is not one of the places where an Industrial School is proposed to be started under the revised proposals. A private donation of only Rs 500/- is not apparently sufficient to justify the selection of Atlur as a centre for Industrial Edn. But as only one industry is proposed to be started, it can be sheltered in connection with the proposed Rural Industries Scheme. Subs for orders.

Letter No.704/D.E.C. dated the 1st/5th April 1915 from the President, District Committee, Hassan, to the Secretary, Education Committee, Mysore Economic Conference, Bangalore.

-:-:-:-:-:-:-:-:-:-

I have the honour to state that the Industries and - - Commerce Sub-Committee, Hassan, having proposed the opening of an Industrial School at Alur for imparting instruction to - - students in the arts of metal engraving and cutlery by securing the services of Puttasiddachari and Kalachari, who are well versed in the respective arts, the District Committee at - - their meeting held on the 25th May 1914 resolved that a recommendation be made in the matter to the Industries and Commerce Committee. The Secretary to the said Committee in reply to this office reference on the subject suggested in his letter No.314 dated the 4th August 1914 that specimens of the work of the proposed teachers may be exhibited for sale at the Arts and Crafts Sales Depot, Bangalore, with a view to see if they could find a ready market and called for a regular scheme regarding the proposed school.

After needful local enquiry, the Convener of the - - - Industries and Commerce Sub-Committee, reported that Sowcar Nanjundappa Shetty of Alur has promised a donation of Rs.200/- to meet the initial cost of providing tools, &c., for the proposed school and submitted the resolution of the Sub-Committee to the effect that a school of ten boys for training students in brass industry may be started at Alur and that Government may be moved to sanction the necessary financial aid for the purpose. The District Committee thereupon resolved to move the Industries and Commerce Committee to make a special recommendation to Government in the matter. The Secretary to the said Committee who was accordingly addressed has, in his letter No.1462 dated the 18th February 1915, requested me to place the scheme before the Education Committee.

In

In these circumstances, I request you to place the - - papers relating to this subject before the Committee for - - - favourable consideration and a special recommendation to Government for the sanction of a sum of Rs.300/- for one year for the proposed school.

The brass plates referred to above have been obtained and will be sent to the Arts and Crafts Sales Depot, Bangalore, at an early date.

Copies of the Statement of the probable expenditure and income of the school received with the resolution of the Sub-Committee and of the resolution of the District Committee - - meeting are herewith forwarded for reference.

Resolution No.4 of the proceedings of the meeting of the Hassan Industries and Commerce Sub-Committee held on the 30th November 1914.

---

4. Read memo No.331/D.E.C. dated the 17th November 1914 of the President, Hassan District Committee, Economic Conference, forwarding extract of resolution No.X of the proceedings of the meeting of the District Committee, Economic Conference, held on the 27th October 1914 regarding the proposal to start an Industrial School at Alur to furnish further details.

Resolution: Resolved that an Industrial School may be started at Alur and the statement of probable expenditure and income submitted by the Convener for training 10 boys in brass work may be approved. For the present, training in brass work alone may be given up. Carpentry and manufacture of cutlery may be taken after some time.

Resolved also that the Government be requested to bear the cost of the establishment, i.e., the pay of the teacher, the house rent and contingencies and also the stipends of the students as is done in other Industrial schools in the State. The amount promised by Mr.Nanjundappa Shetty will be utilized for purchasing tools, brass sheets, &c., required for the school.

Resolution No.XII of the proceedings of the meeting of the Hassan District Committee held on the 15th December 1914.

Read letter No.88/D.E.C. dated the 12th December 1914 from the Convener, Industries and Commerce Sub-Committee, Hassan, submitting the statement of Mr.Nanjundappa Shetty, Sowcar, Alur, regarding the conditions under which he intends to make a gift of Rs.500/- for the proposed Industrial School at Alur together with estimates of probable income and expenditure connected with

the said school; and copy of resolution No.XV of the proceedings of the Sub-Committee meeting, recommending that the school may be started for training boys in brass work at present and requesting that Government be moved to sanction the cost of maintenance of the school, viz., the pay of the teacher, house rent, contingencies and the stipends of the students.

Resolution: Resolved that a reference be made to the Secretary, Industries and Commerce Central Committee, for favourable consideration of the Committee and special recommendation to Government to sanction the cost of starting a class of ten boys in brass work industry at Alur as proposed by the Hassan Industrial Sub-Committee at a net cost of Rs.300/- per annum.

a proposal of the Hanyan Dt: Committee to open and maintain an Industrial School at Aher, ~~Hangaon~~ to train boys in the casting of metal engraving and Cutlery, and recommending a grant of Rs 300/- to the School.

Order - 526 - 9.

Aher is too small a place for an industrial School which, in order to be a success requires to be managed by trained teachers. However Govt. understand that there are at present one or two metal workmen in Aher whom the Dt: Com: propose to employ as teachers. A donation of Rs 500/- is also reported to have been offered by a local sowcar for the purchase of the requisite tools. In these circs Govt: are pleased to sanction to the proposed Industrial School
